Homecoming 1972-73

This year's homecoming started out with a chilling experience for many, the Mr. Cool Contest. Brave contestants were seated on blocks of ice and then raced for the victory line.

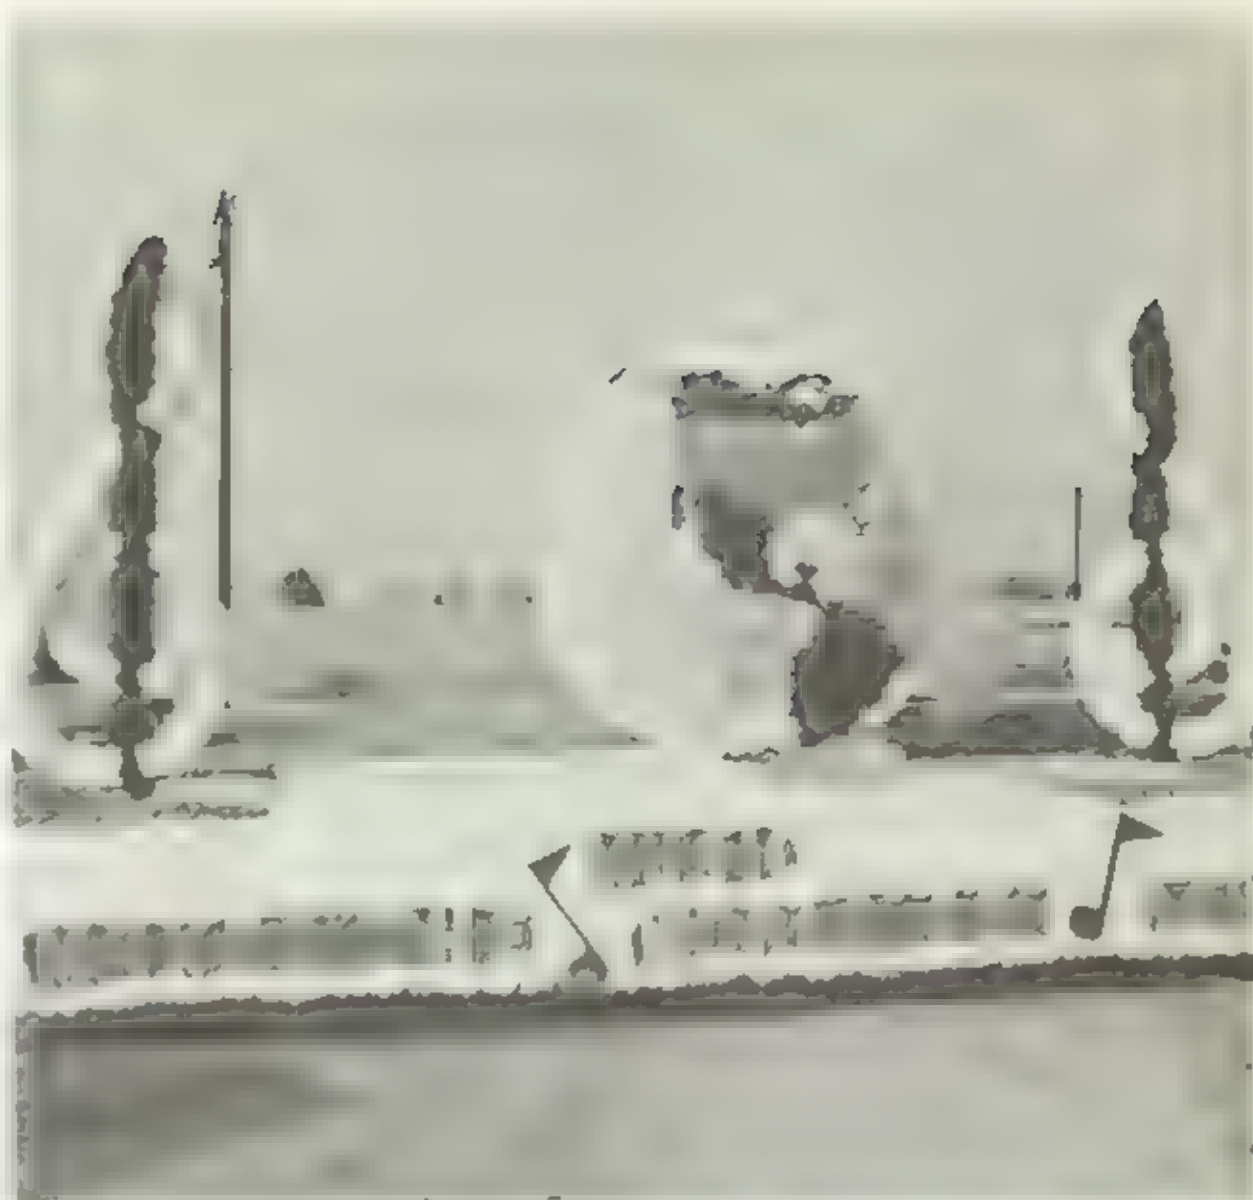

The end of the week brought the traditional homecoming assembly. Queen candidates were introduced while the band, Hop-n-Mop, played on.

Saturday morning began with an exciting parade. During the parade the floats were viewed and judged. Then, after an all school pep rally, a barbecue was held for the first time.

The theme this year for the homecoming floats was "Music Makes the World Go Round." Each of the classes worked hard on its float and used thousands of flowers. The Senior class of '73 won the float competition.

That night on Ramona High's football field Pam Wright was crowned 1972-73 Homecoming Queen. Her court included Sue Ayala, Lorraine Divorio, Mary Mendoza, and Anne St. Jacques. The halftime show was quite thrilling and the events that took place included the performance of the Sherman Indians, who performed before the game and during halftime.

Those events were enjoyed by all and so was the football game.

Senior class float won the float competition.

The five candidates and last year's queen gather after the homecoming parade.

Pam and Tim, a very happy couple.

Scrooge And Santa Bring The Christmas Spirit

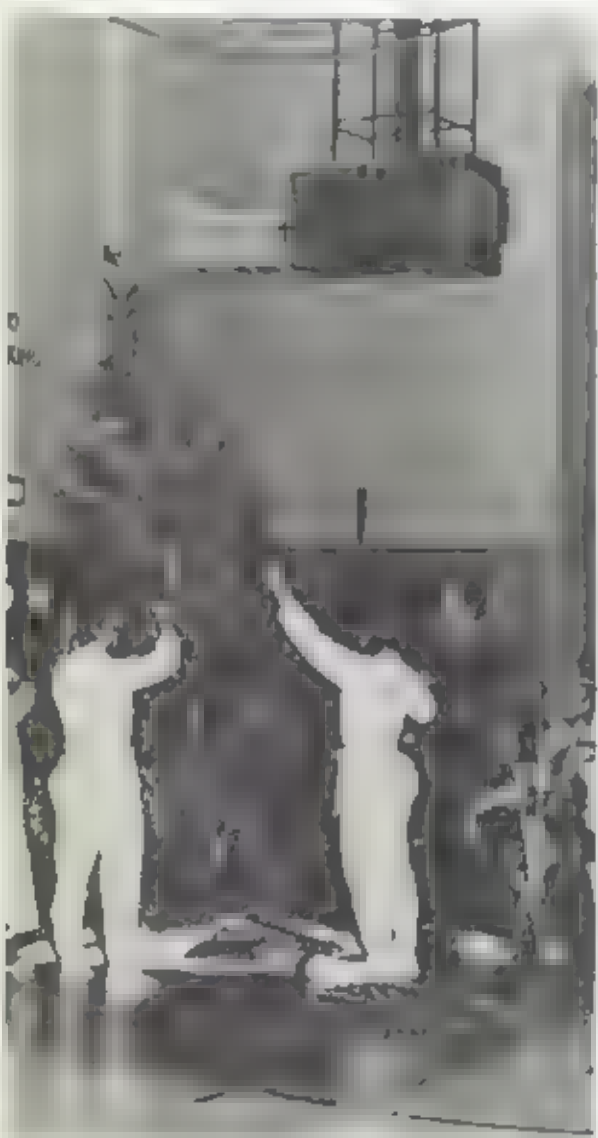

Santa as Caroler, at a public event

On December 5, 1972, Dickas, a Christmas Caroler, came alive at North Vista. The senior class, age 15, skit showed the true Christmas spirit. Hard work by the ASB resulted in a winter store, with participation of 14 students of the First Christmas association. The store, which includes a great selection of toys, Christmas decorations.

Sue Avila Reigns As Basketball Sweetheart

On the night of Feb. 9 during the athletic basketball game, Sue Ayala was rowed 1-2 by Basketball Sweetheart Queen, Linda Sa. 19-2 Queen, rowed her as there was roared from approval. After the game a dance was held in the gymnasium room. There was a social hour. A. J. who attended the games were entertained by the "Red" band. Other students were Lee Ann, Reynolds, Sally Shetter and Valerie Newell.

Research findings are shared by the new sweethearts and their exes.

Varsity Squad Strives To Boost Spirit

This year the Varsity Cheerleaders are all seniors. They spent many hours during the summer and after school practicing new stunts and cheers, many of which they performed at homecoming.

The City cheerleaders have placed second, proving that they can do it all.

The Varsity Cheerleaders would like to thank everyone who helped them show their spirit at North Vista this year.

Paula's got something nobody's got!

Pom Pon Places 2nd In City Tournament

It says the pom pon girls worked hard to raise the spirit at North Vista. They did this by not only cheering at games, but also by creating a new spirit with their own pom-pom team. The girls work in cooperation, giving up a lot of their free time to practice. Three of them went to a summer camp and came back with many new and interesting ideas. Now all be proud of the second place trophy which the pom pon girls brought back from an all city competition in November.

Frosh Show Real Pride

Many people don't realize how hard the Freshnet Charlevoixers work. They devote many hours to the field and garden. These girls have had a very tough time in the past year at North. They give the Club of Freshnet a lot of trouble and a lot of trouble at North.

Drill Team Gives A First Rate Performance

In addition to performing at football hall time shows, this year's Drum Team has actively performed in several parades.

For the first time, the squad brought back a first place trophy from the Ellis County Veterans Day Parade on Nov. 1.

Norte Vista displayed great courage, strength, and ability to fight on despite tearful opposition. Not only was all of Novi's opponent greater in size, but also some of the team members were playing Varsity football for the first time.

Bobby Savers broke many All-Ivy League records with his 100 first points scored in 1972. Most points passed during 1972, 100 first offenses in a game, and total offenses for the season.

Bobby Savers along with Ken Doshier made the All-Ivy League team. Ken Doshier made All-Ivy League on both the offense and defense teams. Jerry Mayes made All-League Second team both offensively and defensively.

Many players will be returning next year, and the wise coach should bring about a victorious season for Norte Vista. The team will enter the National Football League for the first time.

The Novi Frosh completed the 1972 football season with a 2 win, 4 loss, 2 tie record.

The record does not tell the whole story of this team. However, this is one of the biggest wins in the high teams Norte Vista has ever had giving one of its most efficient players. A Freshman scored a total of 102 points and allowed the opposition only 92 points, which gives our team a better representation.

Cross Country Has Rebuilding Year

It has been a long, dry season for cross-country this year. Although the team is a little depth, their spirit, desire, and morale prevailed. Despite a disappointing season there was individual success. Mike Barrow did a fine job and made the second all league team. He placed 14th in the league meet held here at North Vista. Carl Riley was also successful at the Soph-Fresh level, placing 4th in the league meet. On the Varsity team Mike Barrow was the Most Valuable Runner, Carl Riley was the Most Improved Runner, and Jon Kalter received the Coaches Award. Frank Jimenez was awarded the JV Most Valuable Runner. On the Soph-Fresh team Victor Jimenez was awarded Most Valuable Runner, and Chris Martinez received the Coaches Award. Coach Duncan is hoping next year will be more successful, and he is also hoping for a better turn out of school runners.

Braves take command as the first half of the court

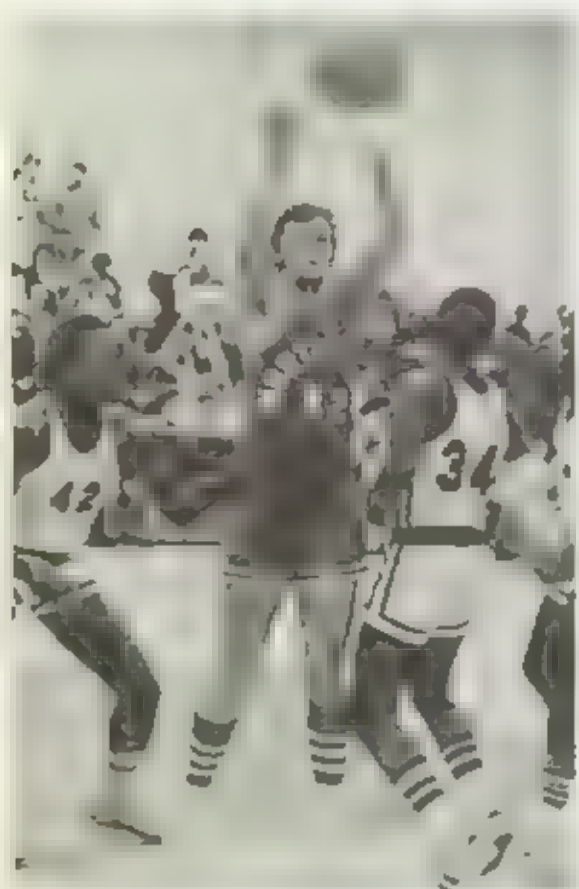

Norte Vista's basketball team enjoyed one of the best seasons yet, compiling a 13 win, 9 loss over-all record and garnering a third place in the tough Ivy League. The George Ingalls Basketball Tourney provided Novi fans with some exciting moments as the Braves captured 3rd place, losing by 2 points to Pomona, the eventual winner, in the semi-finals. The Braves big center, Ira Winn made the All-Tourney Team, as he did in the Rubidoux classic when the Braves won the consolation championship after playing a horrendous game against Moreno Valley. The Braves then entered play in the Ivy League and surprised everyone by winning the first three games, including a two-point victory over San Bernardino. Novi then found itself ranked 13th in the C.I.F., the highest ranking in the school's history. Novi then ran into difficulties and lost a number of close games to close out the season. The Braves were led by the scoring and rebounding of Winn, Fischer, and Morgan. Chris Richartz and Rick Miller provided the assists and ball-handling skills. Frank Corral and Guy Hilva lended timely bench support along with Maio, Beaudin, and Wessler. The season was climaxed by the naming of Winn to the Ivy League 1st team. He led the league in scoring with a 20.3 average, while Fischer and Morgan landed on the 2nd All-League, and Honorable Mention Teams respectively.

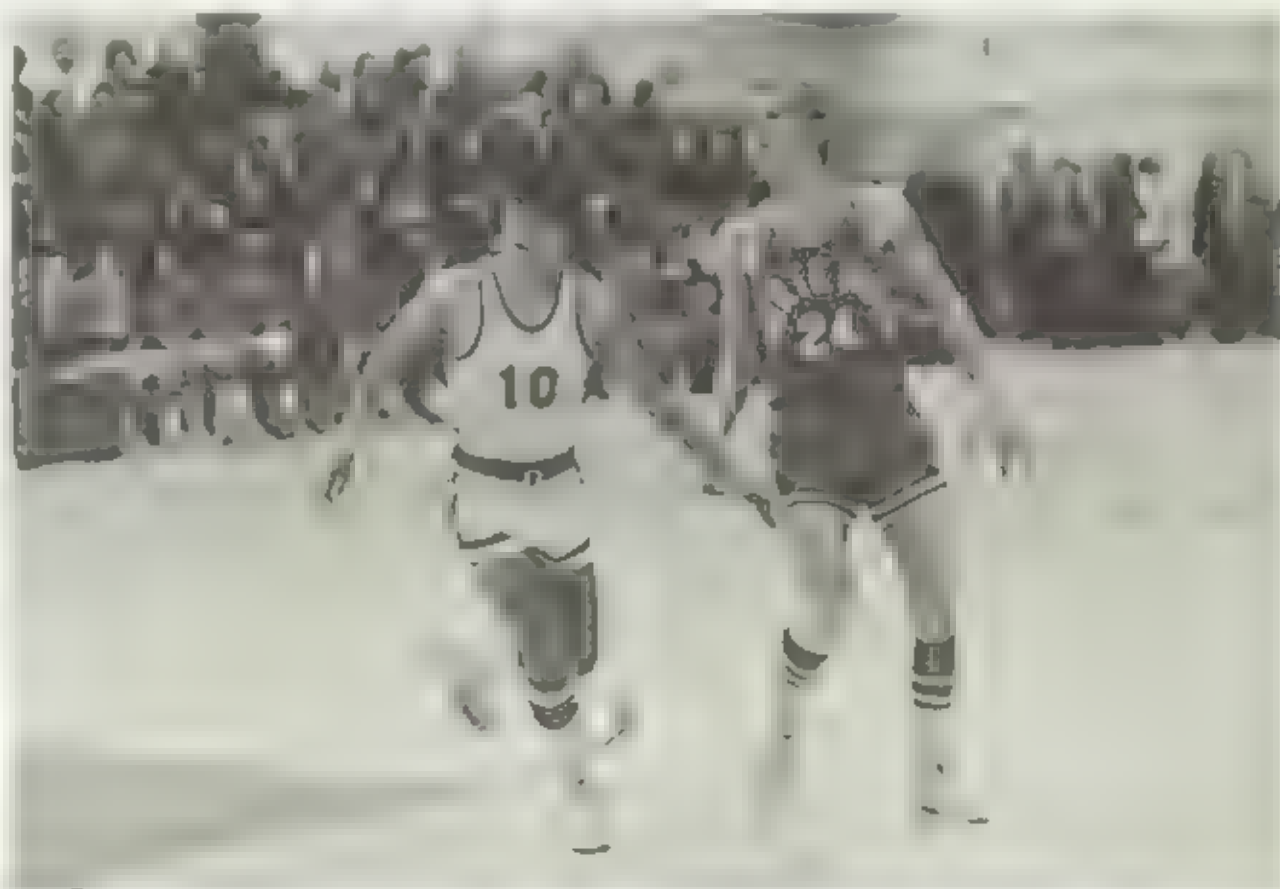

Coach Gorham stated, "I've observed these young men since they were Freshmen. They were winners then and winners now. I was fortunate to be here when they put it together and share in it."

Long on heart, short on experience characterized a season for the Norte Vista J.V. team. Winning only one game, the team gained the experience needed to assist the Varsity next year. With mostly Sophomores and underclassmen, the J.V.'s played most teams nearly even, until the experience began to show. As with most non-Varsity teams, improvement is more important than the record. The J.V.s did improve and will provide replacements for the departing Seniors.

The 1972-73 Novi Freshmen Basketball Team was one that was short on height but big on guts. The Freshmen stayed in contention and won games against opponents that had superior height.

The Freshmen were led by five starters who combined their abilities and hustle to form a team that never gave up. These five starters were: Darryl Wall (F), Gil Moraga (F), Mike Bauer (C), Frank Agular (G), and Tracy Cavendar (G). These starters were backed by such capable ballplayers as Ron Mrstik and Steve Pittman. These 7 ball players are the team's assets that will give NOVI the strength it will need in the years to come.

Mike Bauer goes up for a reverse lay-up.

Coach Stafford talks to four of his stars during a time out.

Novi's wrestling season could be characterized this year as being a period with many individual accomplishments contrasted with team despair and inconsistency. The team completed its pre-league mark of 4-2 with the important victory over Bloomington only to fall to 0-3-2 for its most disappointing league season in many years. However, during league finals G. Cavendar finished 1st while J. Mayes, D. Lindsay, and G. Martinez earned 2nd place honors. Most Valuable Award went to J. Mayes; Most Improved to G. Martinez; and R. Munoz received Coaches Award.

Braves Shock Sports Fans

The Varsity Baseball Team of 1973 will be led by Bob Sawyer, Dennis Jordan, and Rick Miller, the only returning lettermen. The team is made up of untested talent led by Randy Solis, Cleve Palmer, and Gil Moraga.

The team is a young, strong one that is just now beginning to realize what its potential is. With strong performances from the veterans, the club should do quite well in league play.

J.V.'s Look Forward To Successful Season

Coach Doshier took over as the Jr. Varsity Baseball coach this year and has a lot of faith in his team.

Coach Doshier says that Eric Scott is his pitching ace, while Gil Wall, Tom Clowdus and Bill Steele lead the way with the bat.

With a little more help, Coach Doshier feels his team has a good chance of going on to take the Ivy League Crown in the Jr. Varsity Division.

At the close of the Jr. Varsity season, the team has a record of 2-2-1.

Rex Moore Takes Over As Freshmen Coach

Top Row: Mike Casados, Sammy Samra, Gil Jimenez, Steve Pittman, Greg Wall, Frank Staudenmaier, Dennis Eycheson, Dale Walczynski, Frank Sauerda, Randy Wall. Bottom Row: Coach Rex Moore.

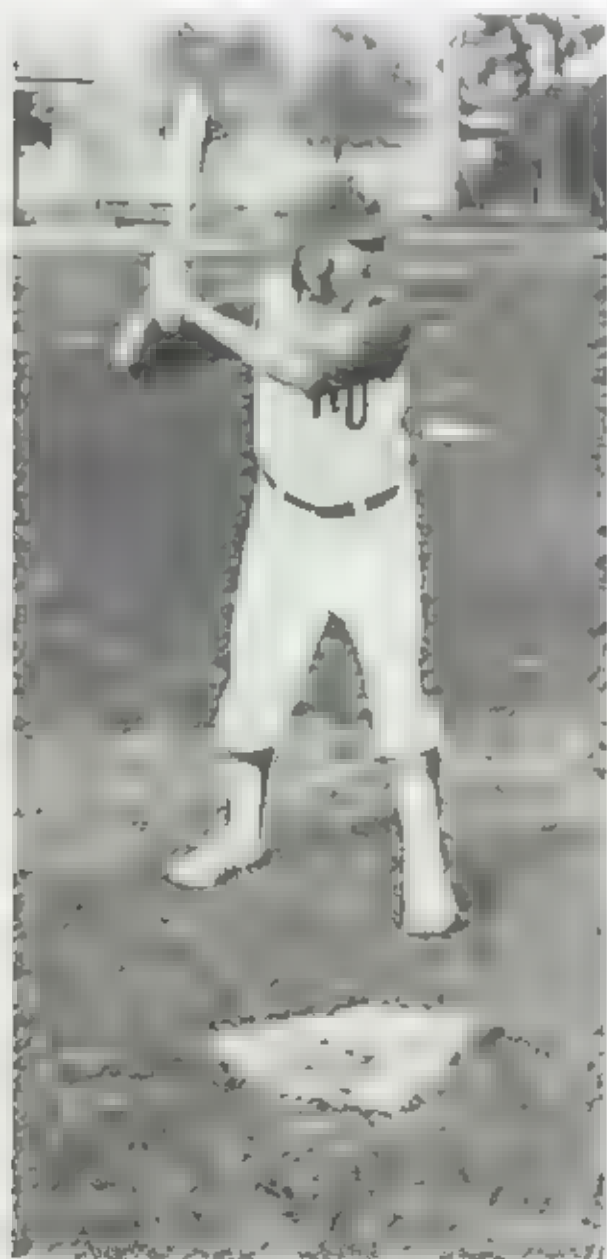

The Novi Freshman Baseball team is under the direction of a new baseball coach this year, Rex Moore. Up to this date the team is having a good season. Coach Moore feels the team has a chance to win it all, if they play the type of ball they are capable of playing.

Coach Moore rates Frank Staudenmaier as his number one player and says Gil Jimenez, Steve Pittman and Kenny Boydston are some of the power at the plate.

Coach Moore feels that this year's Freshman team has a good stock of young players to keep Novi's Varsity successful in the future.

NOVI golf prospects for '73 appear bright with Billy St. Germain averaging 38 (2 over par) per round and Richard Wander scoring at and 40 regularly. Parino Moss and David Shearer, both Freshmen, look like they will be good golfers for Norte Vista by the time they become Seniors. Jon Torchia and Charles Wander round out the starting line-up. This group of golfers should improve materially on the '72 record which stood at just under 500 percent.

From Left to Right: Matt, Chris, Tim, Dan, Rick, Steve, Jeff, and Coach Philip Cummings.

This year's Varsity Tennis Team is looking forward to a very successful year in the Ivy League. The team has four returning lettermen who are: Jerry Gray, Vance Collins, Jeff Ng, and Steve Mario. The team has several new players who are improving every day and they should be a tremendo is asset to the team next year. The team's new coach, Philip Cummings, helps the players whenever it is needed.

A.S.B. Commission Means Deep Involvement

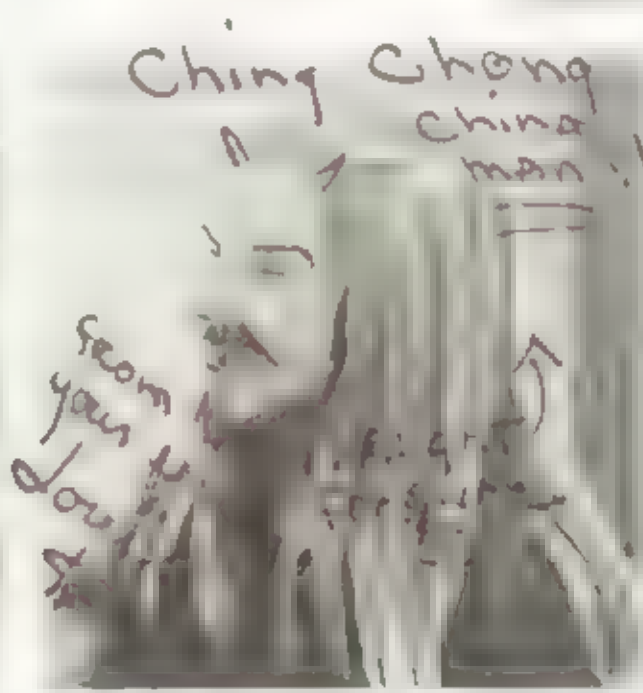

The Commission at Novi this year has been working hard to bring together all the students. Since the beginning of the year, the aspect of the school year was thought about. In order to help bring the people together, the commission started working at the beginning of the year. The first project was to have the first day of school in September. This year at work was with the first commission. The first project was the location of the A.S.B. office. The commission was given a room. The commission of trying to bring together the first A.S.B. office, which was still in the year.

Drama And Speech Undergo Many New Changes

You may not have noticed right off hand, but the Drama and Speech Club has undergone many changes. There's a new set of officers and members. The club has participated in many tournaments and festivals including one at R.C.C. The club has faced many difficulties this year due to the fact that last year there was no Drama and Speech Club. The officers have been busy trying to organize things so that the club could be run efficiently. The officers are: Tom Monticani, President; Joel Sentz, Vice President; Eric Wallner, Secretary; Linda Jensen, Treasurer; Terri Hawkins, Social Chairman; and Mrs. Jan Tunks. The club is working on the play "You Were Born on a Rainy Day" and the production date is set for early March.

Music Has Madrigal Festival In March

Music has been busy this year starting off with a Christmas concert. All the groups took part in March visits to Madrid groups, concert choirs of other high schools and a Madrigal group at R. C. C. Many also sing with the school choir at graduation. The choir is directed by Mrs. E. E. Velasquez and the secretary is Fern Cortez. Mrs. Cortez is the teacher and advisor of Music. All in all, the Music group has had a very busy 1972-1973 school year.

Science Makes Field Trips

Science Club is one of the original clubs of Novi. It is a club of action. Each year the club has traditionally made field trips to the desert, mountains and seashore to study and enjoy the out-of-doors. In addition, visits are made to local points of scientific interest. The club usually has two services to benefit the school. The officers are Jeff Ng (pres.), Alan Farmer (v. pres.), Kathy Ng (sec.), and the club advisor is Mr. Hodgkin. Membership is 25 students.

Club officers L. to R. are K. Ng, J. Ng, A. Farmer and club advisor Mr. Hodgkin.

Math Has Guest Speakers

Although many people believe the main purpose of the Math Club is to sit down and work out trigonometry problems, the members of this group would strongly disagree with you. In reality, the members of this small organization, under the leadership of President Jon Kalter and advisor Susan Walton, have the Alvord Math Field Day as their main objective. Besides this annually successful event, the Math Club invites guest speakers to their meetings in hopes of widening their knowledge in the math field.

Poster Club Arouses Students

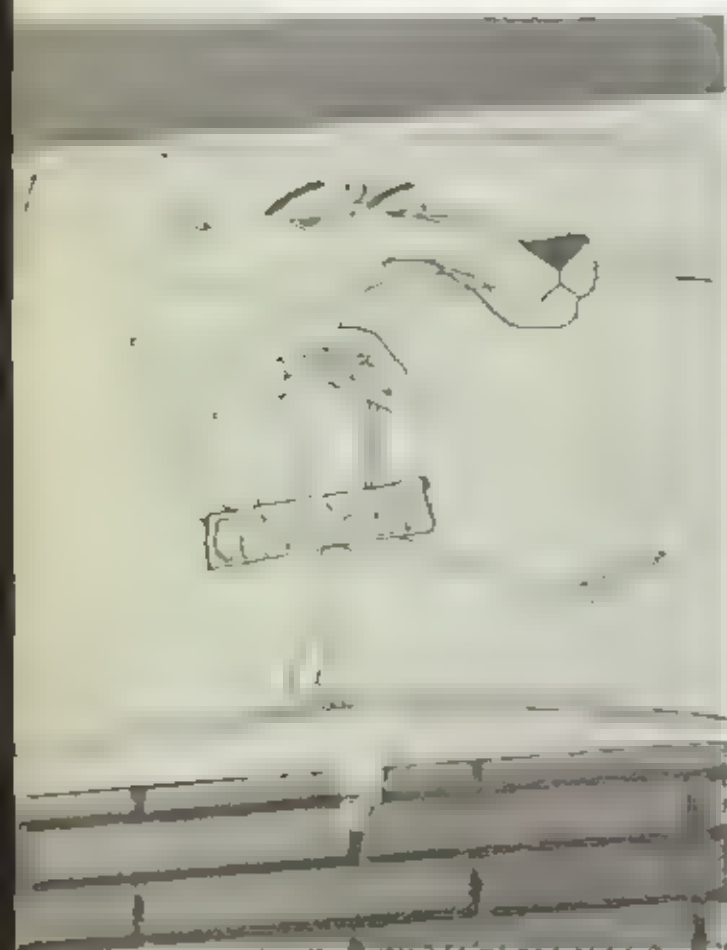

Stimulating student spirit is very difficult here at North Vista. However one club stands out as a completely unique experience. This school has a rather massive discipline program that the administration seems to go on about the meaning of these posters however it is still the meaning of what it has been said that this club is trying to do, or at least for this year. But the Poster Club has battled its way through a school year as it is something that is needed to provide provocative stimulation. This is a long time goal which is very much needed. It is said the administration does not realize the importance of this club but they have their own worries.

Art Guild Is For Novi's Talented

The Art Guild is for students who want more experience in art. They meet twice a week during lunch. They had two art sales during the year, one in February and one at the end of the year - May. The sales are to raise money for materials to use in the class. The Art Guild for the last two years has been taking exhibits to present to the school. Demonstrations, tours, and guest lectures have been held for the past two years in the Art Guild Club.

M.E.C.H.A. Gets Off To A Good Start

M.E.C.H.A. is an organization made up of chicano students in the school. They get together to discuss their new ideas for the club. Some of their activities include: car washes, the selling of refreshments at basketball games, organized baseball games with other M.E.C.H.A.'s, and a Christmas party in which everyone contributed refreshments.

The club hopes to raise money for a "Cinco de Mayo" fiesta in May. They are busy planning field trips and hope the club will continue to grow in the years to come.

French Visits Maze Stone

[illegible]

This year the French Club was very active. I was sponsored on trips to Hollywood, the Maze Store and the Parts O' Cat. Under the leadership of Mrs. Young, they have things that you don't find at French Market. North Vista High School was participated in an International Christmas Party which was a fine success.

Serrano Staff Finds Every Picture Does Tell A Story

The yearbook staff selects and organizes pictures to preserve the memories of the students. This year the staff chose the theme "Every Picture Tells A Story." It is a story carried through history. It is a story at Serrano School of today, a story of the ups and downs, the struggles, the triumphs, the look back at the things we've done and the friends who have been at Serrano. Also, Harry Kuper, Peter Jernigan, John Ace, Peter Ace, St. Jacques, Cory Peter, Rose Marie Martin.

Our Newspaper Is To Inform

The basic purpose of the school newspaper is to inform. However, it is also expected that it will act as a catalyst for change. When I am Rector of Georgia Newspapers, we give the teachers of the school these assignments as a special duty. I am Rector who has been a formal student of the writing and reporting of the past four years. Newspaper work in the high school level takes place in a very structured manner, and the staff of the school newspaper is expected to be a part of the budget of the school. For the staff was well, they get an extra year off from the school, and this is a very good thing. B. B. Nathan would like to see that the staff of the school newspaper is a part of the budget of the school.

If you want to slave very hard and receive little or no credit for your talents, then publicity may be your "bag." The first period journalism class helped make posters and several of the girls prepared a poster board each week that showed the good side of the school. Articles were written each week for the Arlington Times, and Terry Horton and Terri Hanson helped to contribute the 1/2 page in the Arlington Times that appeared every two weeks. Mike Lopez covered basketball, and several students took pictures for outside publication.

Making posters are kind of hard, but I
love it.

Caught in the act!

A GREAT DEAL

As I think of our desire for a world of peace in which people can work together and live together rather than fight each other, I can think of nothing that does more to bring about such a peace than the selfless service by people like those who have gone throughout the world from Loma Linda University.

We want to build the kind of peace that will mean something far more than the absence of war: peace that will mean better health, a cleaner and better environment, and an opportunity for freedom and justice such as people have never before enjoyed in the history of the world.

This is our great ideal.

Anna Hermann 1913-1972

The Lord will surround me and I shall never be moved.
He hath set me in a place of pasture.
He hath brought me up, on the water of life.
He hath comforted my soul.
He hath led me on the path of justice, for His name's sake.
For though I should walk in the midst of the shadow of death,
I will fear no evils,
for thou art with me.

Novi Goes to C.I.F. for 4th. Time

The 1973 version of the Novi Varsity Baseball team was a new one for the Ivy League. The team had only three returning lettermen and only three seniors.

The Braves were lead by senior Dennis Jordan, who was named the M.V.P. in the Ivy League. He was joined by first team all leaguers Bob Savers, Randy Solis, and Rick Miller. Another key player was freshman Gil Moraga, who was named to the second team.

Some were but then again some cheered. Some were confused . . . some didn't really care. They all politely to all the other students who were solemnly into the clutches of the Selective Service, various assorted colleges and University's and DISNEY LAND! The place where you laughed your troubles away and forgot them till the next morning when you were too tired to care anyway.

Forrie,

To a beautiful person who will always
be in my heart. You are really far-out
anyway a real down to earth people and that
the best kind in the world. Keep your
head the way it is and you'll go a
long way. And don't mess your life up
like I did because you'll really regret
it in the end. And don't get down about
Mike because now could he drop someone
like you for you know who!! I hope that
we stay friends for the rest of my life
for how ever that is! And if you ever
have a problem of any kind I want
to help you and I don't care what kind of
problem it is either. You're really a
good person and you don't set out to ever
hurt anyone and that's really good be-
cause there's a lot of people who don't give
a ~~damn~~ ^{damn} who they hurt or why they hurt
them and that's light-weight but I am
~~not~~ ^{not} going to let it get me down because
I can't. So keep the faith.

With
Love
Joan
